### *Class of 2013:*

We hope that you have been enjoying your first year of law school and that you are looking forward to exploring and learning more about the various career opportunities that are available to you.

As you think about your career options we hope that you will take a moment to register for one of our 2011 firm tours. The tour will provide you with: a first-hand look at a business law firm in action; an opportunity to hear from a panel of practitioners; and, a chance to meet our current students.

If you would like to find out what practice is all about, or what a full service firm really does, then this event is for YOU! – We look forward to seeing you this summer!
